## October: 2020 Newsletter

Dear Families:

This month is full of many curriculum themes, the first full week focuses on Fire Prevention. What are the causes of fires? What should we do in case of a fire? Do you have a plan in your home for a fire escape? Here at Skyline the children have monthly fire drills and know how to Stop, Drop, and Roll and how to exit the building if there is a fire.

Next is Earth Science Week which is the study of our planet's physical characteristics, from earthquakes to raindrops, and floods to fossils. We will also identify and review the Letter Ff.

Our last week celebrates Halloween; each pod will have their own games and costume parade. Please check with your classroom Teachers about specifics.

### DATES TO REMEMBER:

- October 7th is Portrait Day, wear your best outfit and smile!
- We are **CLOSED** on October 11th for a Staff In Service Day.
- October 29th is the Halloween Trunk or Treat. You may bring your child in his or her costume but please know it may get dirty. A set of back up clothing is suggested.
