JANUARY 2023 NEWSLETTER

Happy New Year 2023!

This month we are celebrating the season of Winter, Dr. Martin Luther King Jr., and reviewing and identifying our letters Kk, Ll and Mm.

Although Winter solstice began December 21st, the curriculum will focus on the coldest season. The themes that will be discussed with the children: Winter is the sign of longer days and shorter nights, Winter brings colder temperatures, snow (depending on your location), and sometimes ice. What type of Winter activities do people enjoy? Do the food and drinks we make and eat change?

The second week our focus will be on Dr. Martin Luther King Jr. Who was he, what is he known for, and how is his message still relevant today?

Please bring in a picture of Dr. Martin Luther King Jr. to share at circle time, it can be at any stage of his life. Celebrating Dr. King's life will help us transition into February which is Black History month.

REMINDERS:

- We are CLOSED on the 16th for the Dr. MLK Jr. holiday.
- Please be sure to dress your child warmly and have a full set of clothing in his or her cubby.
- On the 6th of the month is a Cooking Project, please check in with your Teachers about what ingredients you will need to bring.
