MEMORIAL DAY

MAY 2023 NEWSLETTER

May is Asian Pacific American Heritage month; a celebration of Asians Pacific Islanders in the United States. This month was chosen to commemorate the first immigration of the Japanese to America and it marks the anniversary of the completion of the transcontinental railroad. Most of the workers who laid the tracks were Chinese immigrants.

At Skyline we celebrate Family Day instead of focusing on Mother's and Father's Day. We want to be inclusive of all the families that are within our community. That being said, the second Sunday in May is Mother's Day and we will talk with the children about this holiday and why it is celebrated.

The other two themes we will focus on this month are Be Kind to Animals and Bike Safety Week. Additionally, we will review and identify Letters Tt, Uu, Vv, and Xx. **Each week please remember to bring an item starting with the letter of the week to share at circle time. If you have books regarding any of the curriculum topics please bring them in to share.**

May is also Parent Teacher conference month, you will be provided with an evaluation of your child's progress throughout this past year. Should you have follow up questions you may ask your child's Teachers during the meeting.

REMINDERS:

We are CLOSED May 29, 2022 in observance of Memorial Day.
