October: 2023 Newsletter

Dear Families:

This month is full of many curriculum themes, the first full week focuses on Fire Prevention. What are the causes of fires? What should we do in case of a fire? Do you have a plan in your home for a fire escape? Here at Skyline the children have monthly fire drills and know how to Stop, Drop, and Roll and how to utilize various exits from the building if there is a fire. From 9/15-10/15 is National Hispanic American month, it recognizes the history, culture, and achievements of the Hispanic and Latino community. We will talk about the prominent figures, languages, music, food, and countries that encompass this celebration.

Next is Earth Science Week which is the study of our planet's physical characteristics, from earthquakes to raindrops, and floods to fossils. We will also identify and review letters Dd, Ee, Ff, and Gg.

Our last full week celebrates Halloween; we'll make decorations and prepare for the day. On the 31st we'll have Trunk or Treat, please sign up if you want to volunteer to provide treats and decorate your car trunk.
