SEPTEMBER 2023 NEWSLETTER

September is the month that signifies Summertime is over and Autumn will begin; the weather and landscape will change gradually. We welcome new friends as well as returning students, we hope you all had a wonderful summer.

The second week, we will concentrate on Welcome Week; introducing new and seasoned students, getting to know one another, and getting back into the preschool routine. For this theme we are **asking you to bring in a photo of your child, a photo of his or her family (pets included), and a photo of a child enjoying a favorite activity. We will be enclosing an All About Me form we would like you to complete with your child.** Throughout the week we will share the information with our friends and teachers and post the photos and answers on our main board. It's a great way to get to know one another and build community.

The next week's curriculum is Letter Aa, what words begin with Aa, and what does it sound like? **Please bring in an item starting with Aa to share during circle time.**

The third full week is the beginning of Autumn and Letter Bb. **Please bring an item starting with Bb and leaves for our Fall project.** We will discuss what happens as the season changes from Summer to Autumn? How does the weather feel? Do we see visual changes in the environment? Do we begin eating different foods than we did in the Summer?

The following week we will review and identify Letter Cc, **please bring an item starting with Cc to share.**
