# MEMORIAL DAY

## MAY 2026 NEWSLETTER

May is Asian Pacific American Heritage month; a celebration of Asians Pacific Islanders in the United States. This month was chosen to commemorate the first immigration of the Japanese to America and it marks the anniversary of the completion of the transcontinental railroad. Most of the workers who laid the tracks were Chinese immigrants.

At Skyline we celebrate Family Day instead of focusing on Mother's and Father's Day. We want to be inclusive of all the families that are within our community. That being said, the second Sunday in May is Mother's Day and we will talk with the children about this holiday and why it is celebrated. The second week of May is also Teacher Appreciation week.

We will also focus on Bike Safety Week; following the biking rules of the road. Additionally, we will review and identify Letters Qq, Rr, Ss, Tt, and Uu. **Each week please remember to bring an item starting with the letter of the week to share at circle time. If you have books regarding any of the curriculum topics please bring them in to share.**

May is also Parent Teacher conference month, you will be provided with an evaluation of your child's progress throughout this past year. Should you have follow up questions you may ask your child's Teachers during the meeting.

### **REMINDERS:**

Saturday May 16th is our annual Family Fun Day Extravaganza from 10 am to 2 pm. Please RSVP so we can prepare the food order in advance. Remember all the proceeds from this event go towards the Skyline scholarships & enrichment equipment for the children.

We are CLOSED May 25, 2025 in observance of Memorial Day.
