AUGUST 2026 NEWSLETTER

Welcome to August! Please note that we are CLOSED the first week for Summer Break.

This month's curriculum themes are: International Pirate Week, Fairy Tales & Nursery Rhymes, and Friendship Week. We will also review the shapes: circle, square, triangle rectangle, oval, and rhombus..

For International Pirate week we will discuss the origins of Pirates and why they became so popular in literature and movies? We'll talk about the conditions they lived in, where they traveled, and if they ever found treasure on their adventures.

The second week we are using our imagination for Fairy Tales and Nursery Rhymes, what are your favorite stories and rhymes? Fairy Tales were meant to teach children life lessons such as: do not lie (Peter and Wolf), do not speak to strangers (Red Riding Hood), do not judge people's appearance (The Ugly Duckling), and respect others (Goldilocks and the 3 Bears).

Next is Friendship week; what is a friend? How do you make friends, keep them, and what do you like to do with your friends? **Bring in a photo of your child's friend(s) to share and write about what they like to do together.**

Please note we are CLOSED September 7th in observance of Labor Day.

Please mark Welcome/Back to School Night for 3:30 pm on Sept. 17th. We strongly encourage everyone to attend. We are reviewing new preschool policies that you need to abide by. After we gather for socialization and food and drinks.
